You will be asked to enter your country’s total expected number of participants (athletes and staff) and choose their preferred entry option. Use the link below to start the preliminary entry already now.

2. Participation quota based on the preliminary entry:
Since we have limited room for accommodation at our school premises, all countries will receive a quota, which determines how many of your country’s participants (athletes and staff together), we can accommodate at our school premises. If the quota doesn’t match your country’s total number of participants, then we refer to entry option 2 above. All countries will receive their individual quota before the launch of the final entry.
